**Calhoun CUSD #40 Board of Education**

*Kathy Schell – Principal.....Kate Sievers - Superintendent*

Elected members of the Board of Education are:

**Luke Fraley - President                      Dave Hurley – Vice-President                      Tony Friedel – Secretary**  
**Hannah Nelson      Keith Klocke                      Janine Hagen                      Laura Longnecke**

The regular business meeting of the Calhoun CUSD #40 Board of Education is held on the third Monday of each month at the Superintendent’s office located next to the Calhoun High School. Meetings begin at 7:00 PM and are open to the public. District residents are cordially invited to attend.

The Board of Education encourages open lines of communication between parents and the schools. Parents are encouraged to communicate regularly with teachers. **Should a problem arise, parents are encouraged to discuss their concerns with the teacher. If no solution to the problem can be attained, then the situation should be called to the attention of the Principal. If the problem cannot be resolved at this level, the next step is the Superintendent and finally to the Board of Education.**

**Superintendent’s Remarks**

Welcome back to school! I hope everyone has had a wonderful and refreshing summer. What a wonderful year we had last year. There were so many positive things going on at the elementary school last school year. I’m looking forward to seeing the PBIS (Positive Behavior Intervention Support) Program continue at CES this year. Mrs. Schell and the teachers implemented this program with the students two years ago and the students have done a great job with it. It is a great way to acknowledge “positive” behaviors. When students are caught doing good deeds at school they are acknowledged in some manner. Mrs. Schell and her staff also held PBIS celebrations throughout the year. This was a way of celebrating classrooms of students who show exemplary standards of positive behaviors. I hope all of the students will continue these positive behaviors during the next school year at school and at home.

I would like to personally challenge parents/guardians/grandparents to take an active role in their child’s education and life this year. Parenting is hard and really hard when you do a good job. Parents have an extra difficult job today as there are so many things for kids to become involved in that are both positive and negative. With social media at their fingertips, it places an extra burden on parents to monitor this. If parents allow their son/daughter to partake in such activities it is very important that you monitor these activities through social media and texting. There are many dangerous temptations out there that kids can succumb to through curiosity or peer pressure. It is through good parenting advice and continuous conversations with your son/daughter that you can help them work through these temptations and give them sound adult-like advice. So I challenge you as a parent/guardian/grandparent to take an extra active role this year and help make it a wonderful year for your son/daughter.

Looking forward, a new year always brings new experiences for all of our students. Best of luck to all of you on the upcoming school year and may you engage in some “positive” behaviors in the upcoming year.

Yours truly,

Dr. Kate Sievers, Superintendent

### **School Improvement Program & Monday Early Dismissal Days:**

The Illinois State Legislature's Reform Package of 1985 requires that school districts show proof that teachers are teaching and that students are learning in each Illinois School. The Illinois State Board of Education (ISBE) has developed a process by which all schools can document that teaching and learning are taking place. This process is called the "School Improvement Program" (SIP). Teachers have worked extensively on this project during the past several years.

Calhoun CUSD #40 will continue to implement "School Improvement Program" (SIP) days into the school calendar. These early dismissal days will be used for teacher workshops and Team Planning Periods and will occur EACH MONDAY AT 2:00 PM.

School begins promptly at 8:15 AM. The taking of attendance and lunch count AND a “student check” for homework and daily preparedness will occur during the first 10 minutes of class. Students who arrive after 8:20 are considered “TARDY” and will be issued an admit pass when they check-in to the office.

School dismisses at 3:15 PM Students are advised not to stay on school property unless they are involved in a school-sponsored and supervised activity.

***Student Arrival.*** Students are to observe the following rules:

- Students are not to arrive prior to 7:45 AM, since there is no adult supervision prior to that time.
- All bused students, K through 8th may enter the building at 7:45 am by entering the west side gymnasium door.
- All dropped off students, K through 8 may enter the building at 7:45 (no earlier) a.m. by entering the front doors facing south and must go directly to the gymnasium via the main entrance hallway.

- Supervising teachers may decide to take students outside before school begins if weather is agreeable.
- Students will not be allowed to go outside, in the classrooms, or anywhere else in the building without permission from the teacher on duty.
- Only those students who are being served breakfast are allowed in the cafeteria.
- Students are to go to the gym and sit in their assigned places until the bell rings at 8:15 am.
- No one is allowed on the gym floor without teacher permission.

## **Change of Address**

Please notify the school office IMMEDIATELY, if there is a change in your address or telephone number so that we can maintain accurate school records and facilitate communication between the home and school. Should an emergency arise, it is extremely important that we be able to contact parents/guardians in the quickest manner possible. Parental/guardianship status must also be reported if changes occur.

## **AUTOMATEE NOTIFICATION SYSTEM – SCHOOL MESSENGER**

An automated notification system has been put in place to notify students and their families of weather related school cancellations either before or during the district Late Start Days or any other event that prevent classes from being held. Information for the notification system is gathered from families during registration. A system test is run during the first semester to ensure success of the notification system.

IT IS IMPORTANT that families registering students for school provide the correct primary phone number to be used for the notification system and that it remains updated.

### **Student Accidents/Injuries**

All accidents occurring at school or on the way to and from school, including extra-curricular activities, are to be reported to the supervising staff and the school office. First aid may be provided at school, and parents will be notified by the school nurse if the injury appears to be serious.

***Emergency Transportation.*** When, in the opinion of the school nurse or substitute school nurse, the administration or his/her designee, a student requires emergency transportation to a medical facility via ambulance. An ambulance service will be called with the responsibility for payment of these services remaining with the parent/guardians.

### **Attendance, Absences & Truancy**

If you are to be successful in school, you must attend regularly. A student who is absent misses valuable class instruction and continuity of his/her work may be affected for some time. However, a student should not attend school when it is detrimental to his/her health or the health of others.

**Illinois law requires that whoever has custody or control of any child between six (by September 1<sup>st</sup>) and seventeen years of age shall assure that the child attends school in the district in which he or she resides, during the entire time school is in session (unless the child has already graduated from high school). Illinois law also requires that whoever has custody or control of a child who is enrolled in the school, regardless of the child's age, shall assure that the child attends school during the entire time school is in session.**

**There are certain exceptions to the attendance requirement for children who: attend private school, are physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by her physician), are lawfully and necessarily employed, are between the ages of 12 and 14 while in confirmation classes, have a religious reason requiring absence, or are 16 or older and employed and enrolled in a graduation incentive program.**

#### **Definitions**

***Truant*** – A “truant” is a child subject to compulsory school attendance and who is absent without valid cause (unexcused) from such attendance for a school day or portion thereof.

Valid cause for absence – A child may be absent from school because of:

- Personal illness
  - Medical appointments for the student for which cannot be take care of after school or on weekends provided the student has a note from the doctor or from the parent
  - Observance of a religious holiday
  - Death in the immediate family
  - Out of School Suspensions
  - Severe family emergency
  - Marriage within the immediate family
  - Flood, storms, or road conditions that make school attendance impossible
  - Situations beyond the student's control as determined by the Board of Education
1. Family vacations should not be taken during the school year unless absolutely necessary.
  2. If a student must accompany his/her parents, permission must be granted by the Principal at least one week in advance.
  3. One week (5 school days) will be permissible as excused absences if correct procedures are followed.
  4. Assignments for all classes must be discussed (PRIOR to the absences) with the classroom teachers and decisions regarding make-up work and/or quizzes/tests will be at the discretion of the teacher/s.
  5. Any deviation from these procedures may result in these absences being unexcused.
    - Other circumstances which cause reasonable concern to the parent for the safety or health of the student.
    - Court appearance- Must obtain form to be signed by Court Clerk for these hours.

- **After 10 absences (cumulative and in any order) for any reason, a medical excuse shall be required for an absence to be excused.**

***Avoiding Unexcused Absences*** – The school office MUST receive notification via a phone call in advance or at the time of the child’s absence (618-576-2341) by 8:15 a.m., from a parent/guardian when a student is going to be absent from school – stating the reason for the absence. If procedures are not followed, students will receive an “unexcused” absence. Unexcused absences are reported to the Illinois State Board of Education annually.

***Chronic or habitual truant*** – A “chronic or habitual truant” is a child who is subject to compulsory school attendance and who is absent without valid cause from such attendance for **5 percent or more** of the previous 180 regular attendance days.

***Truant minor*** – A child to whom supportive services, including prevention, diagnostic, intervention and remedial services, alternative programs, and other school and community resources have been provided and have failed to result in the cessation of chronic truancy or have been offered and refused.

**Truancy**

The School District will determine if the student is a truant, chronic or habitual truant, or a truant minor. The Superintendent shall direct the appropriate School District staff to develop diagnostic procedures to be used for identifying the causes(s) of unexcused student absenteeism. The diagnostic procedures shall include, but not be limited to, interviews with the student, his or her parent(s)/guardian(s), and any school official(s) or other people who may have information.

The following supportive services may be offered to truant or chronically truant students:

- Parent-teacher conferences
- Teacher assistance during lunch/recess periods
- After School tutoring when available
- Resources and information provided for student and/or family counseling
- Information about other community agency services

If truancy continues after supportive services have been offered, the Building Principal shall refer the matter to outside agencies, such as the juvenile officer of the local police department, the truant office of the Regional Office of Education #40, and/or the Calhoun County State’s Attorney, and be may be pursued through the court system. The Board of Education, Superintendent, School District administrators, and teachers shall assist and furnish such information as they have to assist truancy officers.

No punitive action, including out-of-school suspensions, expulsions, or court action shall be taken against a chronic truant for his or her truancy unless available supportive services and other school resources have been offered to the student.

**Absence Notification Mandatory Procedures:**

A student’s parent(s)/guardian(s) must:

- (1) upon the child’s enrollment, provide telephone numbers to the school office personnel,
- (2) notify the office IMMEDIATELY when a student has a change of address or phone number, and
- (3) authorize all absences and notify the school in advance or at the time of the child’s absence (618-576-2341) by 8:15 am.

If a student is absent without prior authorization by the parent(s)/guardian(s), the Calhoun Elementary staff (usually the school nurse) shall make a reasonable effort to contact the parent(s)/guardian(s) concerning the child’s absence by telephoning the numbers given. (Ref. Board Policy #7:70)

IF PHONE CONTACT by a parent or guardian IS NOT MADE, the student MUST BRING A WRITTEN/DATED EXCUSE upon returning to school.

**If seen by a physician, STUDENTS MUST BRING the DR.’S EXCUSE TO THE OFFICE UPON ARRIVAL TO SCHOOL AFTER THE ABSENCE/s..** This Dr.’s note, will be verification of an “excused absence”.

**After 10 absences (cumulative and in any order) for any reason, a medical excuse shall be required for an absence to be excused.**

### **With regard to making up schoolwork...**

Students who are excused for valid cause (“excused absence”) will be given a sum of days equal to the duration of their absences to turn in make-up work or take tests.

**STUDENTS WHO ARE “UNEXCUSED” FROM SCHOOL WILL NOT BE ALLOWED TO MAKE UP MISSED WORK.**

### **TARDY to SCHOOL**

**Tardiness.** Tardiness is a bad habit and should be corrected as early as possible. The faculty and administration of Calhoun CUSD #40 appreciate those students who make the effort to come to school on time. Students are tardy to school if they arrive after 8:20 am or leave before 3:00 pm. In addition, students will be tardy if they are late coming back to the classroom at any time during the school day. Students who are tardy will report to the office to receive a “tardy/admit slip” before going to class.

Arriving late to school disrupts the classroom and may cause the tardy student to experience academic difficulties. It also causes lunch and attendance counts to be redone, and takes time away from other students when the teacher has to give morning instructions to the tardy student.

Any student who is excessively tardy (2 or more occurrences per quarter) may receive a “Notice of Concern” slip from the Principal which will require a parent/guardian signature. The report will include a request for a parent/teacher conference with dates and times listed. **Additional tardies received after the “Notice of Concern” conference could result in disciplinary action.**

\*\*\* Students who display exemplary attendance habits will be recognized for their efforts.

### **Release During School Hours**

Teachers may not release students from school at other than the regular dismissal times without prior approval of the Building Principal. No student will be released from school to any person other than the custodial parent(s)/guardian(s) without the written or oral permission of the custodial parent(s)/guardian(s) to the Building Principal or designee. (Ref. Board Policy # 7:90)

### **Textbook Rental**

The textbook rental fee, paid at the beginning of the school year, pays for a small portion of the cost of workbooks and textbooks used by students. Students are responsible for the care of books assigned to them. Loss of or the excessive abuse of books or other school property will require payment for the extent of the loss or damage by the student using them.

***Book rental fees should be paid at the time of registration or in the school office by at least the first week of school.***

***Damage to Textbooks:*** Compensation to the district for textbooks, which are lost or damaged beyond use, will be assessed at the following rates:

New textbook being used during 1<sup>st</sup> year of adoption = Full replacement cost

2<sup>nd</sup> through 8<sup>th</sup> year of use = 10% deduction per year from full replacement cost

The minimum charge for any textbook will be 20% of the full replacement cost.

The Board of Education may make appropriate allowances for those unable to pay textbook fees. This will be at the discretion of the administration and the Board of Education. (Ref. Board policy #4:140)

“A student shall be eligible for a fee waiver when the student is currently eligible for free lunches or breakfasts pursuant to 105 ILCS 125/1 et seq.”

Under 105 ILCS 2-3.13a, a district is allowed to hold an official transcript from being sent if fines and fees are owed.

### **Returned Check Policy:**

There will be a \$20.00 charge for any returned check written to Calhoun Unit # 40 School district or schools for any reason.

### **Required School Supplies: Agenda Books – Seat Sacks**

All 1st – 8<sup>th</sup> grade students will be required to purchase a plan book during registration at minimal cost. The plan books are handed out at school during the first week.

All Kindergarten students will be required to purchase a “seat sack” during registration at minimal cost.

### **Parent-Teacher Organization (PTO)**

The Parent-Teacher Organization (PTO) is a dedicated group of parents and teachers who work to provide extra educational opportunities for the students of Calhoun CUSD #40. This group meets one evening each month. Notices of their meetings will be sent home with your child. Everyone affiliated with the district is urged to join and become active.

The Parent-Teacher Organization helps to build a bridge between home and school. Parents are again encouraged to become members because a good working relationship between parents and teachers is essential in helping children to grow and learn. PTO will sponsor a variety of fund-raiser activities throughout the course of this year. Please volunteer to help with these fund-raisers. The money that the PTO makes directly benefits the students.

### **Warrior P.R.I.D.E. Organization:**

The Warrior P.R.I.D.E. Organization is a dedicated group of parents and teachers who work to provide extra-curricular/ athletic opportunities for the students of Calhoun CUSD #40. This group uses the school’s facilities without charge. Parents/guardians of students involved in any extra-curricular programs are urged to join and become active member.

### **Athletic and Extra-Curricular Information**

Athletics and extra-curricular activities provide another means by which students may demonstrate their abilities. Calhoun CUSD #40 is proud to offer a diverse athletic and extra-curricular program. Students are reminded that they are representatives of the school when events take place either at the school or at another campus. Extra-curricular activities are not a property right.

Participation in student activities and athletics is considered an extension of, but separate from, the regular school program. Students must meet certain expectations beyond those found in the traditional classroom setting. The district gives each school the authority to suspend or revoke this privilege for those who do not conduct themselves in a responsible manner.

Eligibility for most athletics is also governed by the rules of the IESA – Illinois Elementary School Association. IESA rules must be followed in all cases of student eligibility, transfer, physical examination, starting dates for practices/events, use of school equipment, etc.

**PLEASE SEE THE “CALHOUN 40 ATHLETICS EXTRACURRICULAR HANDBOOK – CODE OF CONDUCT” for a complete description of the Calhoun 40 Extracurricular program and its expectations, rules and code of conduct.**

### **Smoking and Using Tobacco**

Smoking tobacco, using tobacco products and/or possessing tobacco materials and products are not permitted on school property or on district buses at any time. Students found using or possessing tobacco products will have those products confiscated and are subject to disciplinary action. Disciplinary measures may include, but are not limited to:

- personal counseling,
- withholding of privileges, and/or
- suspension for a period up to 10 days.

In all cases, the parents or guardians shall be contacted and their cooperation sought.

Given reasonable grounds for suspicion, school officials may search for and seize tobacco products brought into school property and the district buses. (Ref. Board policy #7:140)

### **Bicycles, Skateboards and Scooters**

Due to the liability issues and the danger imposed by bicycles, skateboards and scooters, these items will not be allowed on school property.

### **Budget Information**

As required by State Law, the annual school budget is posted on the school district's website. Questions regarding the budget may be referred to the Superintendent at 618-576-2722.

### **Supervision of Students**

Pursuant to 105 ILCS 5/24-24 of the Illinois School Code, school personnel shall have full authority and responsibility for supervision student while the students are at school or engaging in school-sponsored activity away from school. In addition, school personnel shall have the authority to supervise students who are on their way to and from school when supervision is needed to ensure the safety and welfare of all students. Parents/Guardians are expected to provide transportation or accompany student's home at the end of school activities, especially those concluding after dark.

### **Evening Transportation Home for Students**

Parents/Guardians, or a responsible adult, are expected to provide transportation or accompany students home at the end of school activities, especially those concluding after dark. Students and parents are expected to make transportation arrangement PRIOR to the end of an evening event. Students will not be allowed to walk home without an adult escort.

### **Transportation**

Bus transportation within the school district boundaries is provided free of charge for students who live more than one and one-half miles from the school.

New bus riders should contact the Superintendent's office at 618-576-2722 for their bus assignment. Only students currently enrolled in Calhoun CUSD #40 schools are allowed to ride the school buses. Adults are not allowed to ride the buses to and from school and home due to liability issues. Adults may ride the buses during school-approved field trips and with special permission from the Superintendent of Schools.

**Bus Permits.** All students will be expected to ride their assigned bus home unless they have a note, signed by a parent/guardian stating that they are to do otherwise. When a student plans to ride any bus with another student, he/she will provide a note signed by a parent/guardian of BOTH students (2 different notes).

Students will not be allowed to board a bus other than the bus assigned to them, unless the school is notified either by a written note or by parent phone call prior to 1:30 PM on Mondays and by 2:45 PM Tuesday through Friday. The school secretary will then distribute a "bus pass" accordingly.

Parents dropping off children in the morning or picking up children in the afternoon are to enter the west gate and exit the east gate of the school parking lot. Students should not arrive prior to 7:45 AM, since there is no adult supervision prior to that time.

## **District Boundaries & Residency Requirements**

### **Transfer Students**

**Transfers in:** when students transfer into Calhoun CUSD #40 schools from another school district, the parent/guardian should bring the student’s latest report card for examination. Failure to comply with these requirements will result in the student not being allowed to return to school.

***Students who transfer “in” from another Illinois school, must have the “Student Transfer Form” from the previous Illinois school before they will be allowed to enroll.***

**Please note:** If your student has been receiving special education services in their previous school, you are requested to bring a copy of the latest Eligibility Review Conference and Individual Education Program with you so that programming can begin as soon as possible.

**Transfers out:** When students move out of the district during the school year, they may be allowed to complete the balance of the school year at Calhoun Elementary School. Parents must provide necessary transportation to and from school and all necessary emergency contact information. When students transfer to a different school, the student’s records follow the students when the receiving district submits an official record request.

Students who move out of the school district boundaries and withdraw from school are asked to notify the office as far in advance as possible. This will allow for the completion of work, updating of records and issuing of grades. When possible, please inform the office of any forwarding address. Teachers will collect all school-owned books and materials used by students prior to their leaving.

Students notifying the office, prior to transferring out of the district, will be given a “**Student Transfer Form**”--(pursuant to 105 ILCS 5/26-3 (a & b))--to take to their new school. If you are enrolling in another Illinois school, you must present this completed form to the new school before being allowed to enroll.

### **Concerns, Questions & Complaints**

When you have a concern, question or complaint about any aspect of the school, please take it to the employee who is most directly involved at the lowest level. If the situation cannot be resolved to your satisfaction at this level, take the problem to the Principal. Past this point, the Superintendent and the Board of Education may be contacted. Following this logical sequence of authority is called “following the channels of authority” and will get the problem resolved more quickly and effectively. (Ref. Board policy #3:30)

## CALHOUN UNIT 40

## ELECTRONIC ACCESS

The Calhoun Unit 40 electronic communications systems are developed, operated, and maintained as part of the school district information and communication infrastructure. The purpose of these systems is to provide internal and external communication to promote increased educational opportunities for staff, students and the community.

The Calhoun Unit 40 Board of Education strongly believes in the educational value of electronic communication services and recognizes their potential support to curriculum and student learning. The goal for providing this service is to promote educational excellence.

The Calhoun Unit 40 Board of Education will make every effort to protect students and teachers for misuses or abuses as a result of their experiences with the electronic services. #### **When and Where Rules of Conduct Apply**

- School personnel are responsible for taking disciplinary action whenever student conduct is inappropriate or unsafe and is reasonably related to school or school activities. These areas of jurisdiction include, but are not limited to:
  - a) On or within sight of, school grounds before, during or after school hours and at any time;
  - b) Off school grounds at a school-sponsored activity, function or event, or any activity or event that bears a reasonable relationship to school;
  - c) Traveling to or from school or a school activity, function or event; or
  - d) Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: a) be a threat or an attempted intimidation of a staff member; or b) endanger the health or safety of students, staff, or school property.

The Calhoun CUSD #40 Board of Education and the Illinois State Board of Education (ISBE) recognize that parents/guardians have the primary responsibility for the discipline of their child or ward. Students will learn to control their own behavior and become self-disciplined adults when the home, school and the student work cooperatively to reach this goal. ***Any behavior that does not comply with the district’s educational mission or causes disruption will not be tolerated.***

The following is a suggested definition of discipline. “Discipline is the process by which the young person is guided in such a way that he/she will develop the ability to direct his/her thoughts and control his/her actions in a manner which is generally acceptable to society.”

Since the primary objective of discipline is self-discipline, it is expected that students may be expected to assume responsibility for their own behavior. Whenever the student is not meeting progress toward the goal of self-discipline, every opportunity will be taken by administration and faculty to inform parents. We take this responsibility seriously. We ask for your cooperation in helping us teach our students how to live peacefully with one another.

## **Other Behaviors Not Tolerated**

Calhoun Elementary additional violations of the rules of student conduct include but are not limited to the following:

### **Vandalism**

All school property is state property with the Board of Education charged as trustees to see to its proper use and care. Therefore, state vandalism laws regarding marking, marring and defacing of buildings or contents, such as walls, desktops, or computers, **must be prosecuted under State Law.**

In the broadest sense, school property belongs to the whole community for its proper use. Anyone who uses such property unwisely and to the disadvantage of the whole community will be required to pay for negligent or deliberate damage.

***Malicious damage resulting from the action of a student will be the parent’s responsibility. Please note that the Board of Education will prosecute anyone who is responsible for committing acts of vandalism to the fullest extent of the law.***

It is the district’s desire that the school properties present a pleasant image in the community, comparable to the surrounding nice homes and well-kept lawns. Both teachers and parents should make a joint effort in teaching students to respect school properties as well as properties of their neighbors as they travel to and from school.

### **Weapons Prohibition**

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of not less than one year, but not more than 2 calendar years.

- 2) A knife, brass knuckles or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including “look alikes” of any firearm as defined above. The expulsion requirement may be modified by the superintendent, and the superintendent’s determination may be modified by the board on a case-by-case basis.

1. denies or limits the provision of educational aid, benefits, services, or treatment; or that makes such conduct a condition of a student’s academic status; or
2. has the purpose or effect of:
  - a. substantially interfering with a student’s educational environment;
  - b. creating an intimidating, hostile, or offensive educational environment;
  - c. depriving a student of educational aid, benefits, services, or treatment; or
  - d. making submission to or rejection of such conduct the basis for academic decisions affecting a student.

The term “sexual violence” includes a number of different acts. Examples of sexual violence include, but are not limited to, rape, sexual assault, sexual battery, sexual abuse, and sexual coercion.

The terms “intimidating,” “hostile,” and “offensive” include conduct that has the effect of humiliation, embarrassment, or discomfort. Examples of sexual harassment include touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, and spreading rumors related to a person’s alleged sexual activities.

Students may choose to report to a person of the student’s same sex. Complaints will be kept confidential to the extent possible given the need to investigate. Students who make good faith complaints will not be disciplined.

Fighting on school grounds, on the school buses, or at any school activity is prohibited. Fighting will result in disciplinary action from the school and may warrant legal action.

ACCORDING to Public Act 92-0064, the Calhoun Board of Education will recognize its responsibility to maintain order and security in the schools. Accordingly, school authorities are authorized to maintain an environment in which no violence, harassment or bullying is tolerated. Those students whose behavior or schoolwork demonstrates a potential for violence or threat to the safety of others will be identified and referred to appropriate personnel or community agencies/resources. Parents will be notified of violent, harassment or bullying behaviors. (Ref. Board policy #7:20)

#### **Bullying/Harassment is defined as:**

"harassing or intimidating conduct, whether verbal, physical, or visual, that affects tangible benefits of education, that unreasonably interferes with a student's educational performance, or that creates an intimidating, hostile, or offensive educational environment. Examples of prohibited conduct include name-calling, using derogatory slurs, or wearing or possessing items depicting or implying hatred or prejudice."

### **Preventing Bullying, Intimidation, and Harassment**

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors is an important school goal.

Bullying on the basis of actual or perceived race, color, nationality, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic is prohibited in each of the following situations:

1. During any school sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school sponsored or school sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a non-school-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the school district or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school.

For purposes of this policy, the term bullying means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student in reasonable fear of harm, the student's person or property.
2. Causing a substantially detrimental effect on the student's physical or mental health.
3. Substantially interfering with the student's academic performance.
4. Substantially interfering with the student's ability to participate in or benefit from the services, activities, or privileges provided by a school.

Bullying, intimidation, and/or harassment may take various forms, including without limitation: threats, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. For purposes of this policy, the term bullying includes harassment, intimidation, teen dating violence, retaliation, and school violence.

A student who is being bullied is encouraged to immediately report it orally or in writing to the District Complaint Manager, Nondiscrimination Coordinator or any staff member with whom the student is comfortable speaking. Anyone who has information about actual or threatened bullying is encouraged to report it to the District Complaint Manager, Nondiscrimination Coordinator or any staff member. The school will not punish anyone because he or she made a complaint or report, supplied information, or otherwise participated in an investigation or proceeding, provided the individual did not make a knowingly false accusation or provide knowingly false information. The school will protect students against retaliation for reporting incidents of bullying, intimidation, teen dating violence or harassment, and will take disciplinary action against any student who participates in such conduct.

**Disciplinary Measures**

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to drop out of school voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following measures:

- A simple warning or teacher control measures to stop the inappropriate behavior (i.e., teacher gives a look to express displeasure, shake of the head to acknowledge misbehavior or the movement of the teacher to the point of disturbance in the classroom);
- Temporary removal from the classroom;
- Teacher-student conferences/counseling;
- Parent/Guardian notification;
- Withholding of privileges, such as free time or recess;
- Lunch/recess hour STUDY (approved by the principal and supervised by either the principal or office personnel) or after school STUDY (If after school transportation arrangements cannot be made in advance, an alternative disciplinary measure will be assigned to the student);
- Parent-teacher conferences either in person or by telephone; Parent-teacher conferences may include the Principal or Superintendent.
- Principal's Office Referral;
- Principal-student Disciplinary Conference;
- Field trip forfeiture;
- Referral to the district Social Worker for counseling;
- Return of property or restitution for lost, stolen or damaged property;

- Student Written Response with Disciplinary Conference;
- In-school alternative discipline or In-school suspension with proper supervision;
- Suspension from attending extra-curricular activities or participation in athletic and/or extra-curricular activities;
- Community Service;
- Parent/Guardian supervision of the student during the day at school;
- Seizure of contraband; confiscation and temporary retention of the personal property that was used to violate school rules;
- Suspension of bus riding privileges;
- Suspension from school and all school activities for up to 10 days. A suspended student shall also be prohibited from being on school grounds;
- Expulsion from school and all school activities for a definite time period not to exceed 2 calendar years. An expelled student shall also be prohibited from being on school grounds;
- Transfer to an alternative program if the student is expelled or otherwise qualifies for transfer under the law;
- Notifying juvenile authorities or other law enforcements whenever the conduct involves criminal activity, such as, illegal drugs (controlled substances), “look-alikes,” alcohol or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies;
- Whatever other measures are deemed appropriate under the given circumstances including involvement of law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension or expulsion will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

**\*\*\* Corporal punishment is prohibited.**

Corporal punishment is illegal and will not be used. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

**Re-Engagement of Returning Students**

The building principal or designee shall meet with a student returning to school from an out-of-school suspension, expulsion or alternative school setting. The goal of this meeting shall be to support the student’s ability to be successful in school following a period of exclusion and shall include an opportunity for students who have been suspended to complete or make-up missed work for equivalent academic credit.

***Students with disabilities:*** Those students identified as having a specific disability will be disciplined in accordance with those procedures deemed appropriate for similarly situated students or as governed by their IEP.

## **Bus Rules – According to State Regulations:**

Common sense usually dictates how one should act when riding the bus or while waiting for it to arrive. The following rules apply to riding the district's busses. These include, but are not limited to:

- Do not leave your seat while the bus is in motion.
- Be alert to a danger signal from the driver.
- Always listen to the driver's instructions.
- Sit with your hands to yourself.
- Remain in the bus in the event of a road emergency until instructions are given by the driver. If the driver is unable to give instructions, exit through the nearest exit.
- Keep hands, head, arms and feet inside the bus at all times. Do not throw anything out of the bus windows or at someone else on the bus.
- Remember that unnecessary confusion diverts the driver's attention and could result in a serious accident.
- Be absolutely quiet when approaching a railroad crossing.
- Help keep the bus neat and clean. **Eating and drinking are not allowed on the bus.**
- Do not tamper with the bus or any of its equipment.
- Carry NO animals on the bus without permission of the school Transportation Director and the Superintendent and/or the Principal.
- Be courteous to fellow pupils and the bus driver.
- Help look after the safety and comfort of the smaller children.
- Do not ask the driver to stop at places other than the regular bus stop. The driver is not permitted to do this, except by proper authorization from a school official. .
- Dress appropriately for the weather. Make sure all drawstrings, ties, straps, etc. on all clothing, backpacks and other items, are shortened or removed to lessen the likelihood of them being caught in bus doors, railings or aisles.
- Arrive on time at the bus stop and stay away from the street while waiting for the bus.
- Stay away from the bus until it stops completely and the driver signals you to board. Enter in single file without pushing. Always use the handrail. Do not move toward the bus until it comes to a complete stop and the safety arm is down.
- Choose a seat and sit in it immediately upon entering the bus. Do NOT stand in the entrance or in the aisle.
- Do not move from one seat to another while on the bus.
- Wait until the bus pulls to a complete stop before standing up. Use the handrail when exiting the bus.
- Stay out of the danger zone next to the bus where the driver may have difficulty seeing you. Take five giant steps away from the bus and out of the danger zone, until you can see the driver and the driver sees you. Never crawl under a bus.
- If you must cross the street after you get off the bus, wait for the driver's signal and then cross in front of the bus. Cross the street only after checking both ways for traffic. Do not be in a hurry to get across the street. Remember those cars? Sometimes, unfortunately, they do not think about you and you are a lot smaller.
- Never run back to the bus, even if you dropped or forgot something.
- If you are being allowed to stand in someone's driveway or on someone's property while waiting for the bus, use good manners and self-discipline. You are a "guest" on their property. If you cause problems, you may be asked to leave, or the person owning the property may call the Principal's office asking that disciplinary measures be taken.
- Weapons have no place on school property and are strictly prohibited. (Ref. Board policy #7:220)- Buses are considered school property.
- Loud conversation, singing, boisterous conduct, unnecessary noise or profanity is not allowed.
- Use emergency door only in an emergency.
- Crowding, pushing, scuffling, and other needless commotion are grounds for disciplinary action.
- Never tamper with, damage, or deface anything in or on the bus, or any of the bus or school equipment.
- Keep book bags, books, packages, coats, and other objects out of the aisles. Keep all body parts clear of the aisles when seated.
- Parents will be liable for any defacing or damage students do to the bus.

Finally, realizing that you are still responsible for your own behavior and actions whether it is at school, at a school event or on the bus. Students who choose to break the rules and put everyone's safety on the

bus at risk will force the bus driver to report this misbehavior to school authorities by using a bus conduct referral form.

**Bus Conduct** (Ref. Board Policy # 7:220)

All students must follow the District's School Bus Safety Guidelines. Gross disobedience or misconduct providing grounds for suspension from riding the school bus include:

***Extra-curricular Transportation.*** When the district provides transportation for school sponsored activities, all students will ride the bus to and from the activity, unless the parent/guardian has made prior arrangements, in writing, with the administration or faculty member responsible for supervision of the activity. Observe the same rules and regulations on other trips under school sponsorship as you observe between home and school. Respect the wishes of the chaperone appointed by the school.

**Nonviolent Crisis Intervention Program**

Calhoun Unit 40 employees are trained through 4-Rivers Special Education District and the Crisis Prevention Institute (CPI) to address students who may be at risk of harming themselves or others, through nonviolent crisis intervention. The program focuses on crisis prevention and the creation of restraint-free environments through a commitment to Care, Welfare, Safety, and Security. ## **Dress & Grooming**

Calhoun CUSD #40 believes that the responsibility for the appropriate dress and good grooming of our students belongs primarily to the parents and to the students themselves. We have appreciated our parents' efforts to make this school a good place to learn, work and play. The district has always been proud of the appearance of our students.

Cleanliness and neatness of dress are conducive to good citizenship and good school morale. Students are expected to dress appropriately, with dignity and in good taste while at school and/or attending school sponsored activities.

In general, it is expected that each student demonstrates good personal hygiene by coming to school physically clean and appropriately dressed for the weather. It is not necessary for you to purchase expensive clothing, but you can do your share by being neat and clean at all times. How you dress reflects the amount of pride you take in yourself

Examples of clothing and/or grooming, which are *inappropriate* for the school/learning environment or school sponsored events, include but are not limited to:

- Clothing which promotes or suggests the use of alcohol, drugs, or tobacco. Student dress (including accessories) may not advertise, promote, or picture alcoholic beverages, illegal drugs, drug paraphernalia, violent behavior, or other inappropriate images.
- Clothing which does not allow the top and bottom items to meet nor covers the midriff area.
- Clothing (including accessories) which causes a distraction at school or brings undue attention

(example: overexposing undergarments or parts of the body which should remain covered, i.e., short shorts, tube tops, halter tops, spaghetti strap tops, see-through or mesh tops, sagging pants, tank tops, etc.)

- Clothing (including accessories) which displays lewd, vulgar, obscene, or offensive language or symbols, including gang symbols.
- Grooming, or lack of grooming or hygiene, which causes a distraction at school or brings undue attention;
- Anything that comports with the school's educational mission or causes disruption in the educational process.

More specific examples of inappropriate attire that may not be worn at school may include, but are not limited to:

- Boys' shirts having no sleeves.
- Strapless dresses or tops.
- Any clothing articles with holes or netting that is see-through or exposes portions of bare skin or undergarments.
- Girls' shirts/clothing that allows for their cleavage to be seen shall not be worn.
- No bare feet.
- PE clothing worn in the classroom.
- Dresses, skirts, and shorts should be of reasonable length for the school environment (*as determined by administration*).
- Clothing, which is manufactured, cut or torn out in such a way as to be intentionally, or unintentionally, immodestly revealing – showing skin and/or undergarments
- Sunglasses worn in the building or in the classroom (*unless a medical authorization is on file in the office.*)
- Trench coats, overcoats, or chains on belts or pants.
- Jewelry with sharp and/or pointed edges; especially during Physical Education classes or athletic events (*examples: necklaces with spikes.*)
- Remove head coverings upon entering the building.
- Coats and jackets shall be removed upon entering the building a placed in lockers. These items are not to be worn in the classrooms. Exceptions can be made with teacher permission when there are temperature concerns.

School personnel will enforce dress standards when there are considerations of health, safety or undue disruptive factors involved. The administration reserves the right to determine whether student dress is appropriate or disruptive to the educational process.

Students who are dressed inappropriately may be asked to do the following, which includes but is not limited to:

- Phone home to parents/guardians to have them bring an appropriate set of clothing to wear at school. *If parents cannot be reached, the student will be given proper attire to wear.*
- Sent home to change into appropriate clothing for school purposes,
- Going to the restroom to turn a shirt inside out for wear during the remainder of the day.

Students who continue to dress inappropriately will be considered insubordinate and will be subject to the disciplinary measures listed in this handbook.

### **Suicide and Depression Awareness and Prevention – Public Act 99-443**

Youth suicide impacts the safety of the school environment. It also affects the school community, diminishing the ability of surviving students to learn and the school's ability to educate. Suicide and depression awareness and prevention are important goals of the school district.

The school district is aware of student and parent resources on suicide and depression awareness and prevention. Much of this information can be obtained from the school office of the social worker.

## **Emergency Dismissal Procedures**

During the winter months when inclement weather causes road conditions to become hazardous, it may be necessary to call off school or dismiss school early. Please listen to your area news, television stations for school closing information:

It is highly recommended that parents arrange for someone to take your child into their home in case of an emergency or early dismissal.

### **“SCHOOL MESSENGER” Parent Contact System:**

School Messenger – an automated phone/email contact system will be used to contact parents or groups of parents during the school year. The Calhoun CUSD 40 schools may send messages to parents of students in the district for general announcements, emergency situations, early dismissals, important reminders, student’s absences, etc. The program will send messages to regular telephones and cell phones, and will also send email messages per parent’s request. *Please do not ignore these important messages from your child’s school.*

## **Emergency Drills**

For your protection, emergency, safety drills are held at various times throughout the school year. Such drills are necessary for the safety of the students in the building. Your attitude toward these drills should be serious.

**Earthquakes:** Earthquakes can occur without any warning. If an earthquake occurs-

### ***While in the classroom:***

- Take cover under a sturdy piece of furniture such as a table or desk.
- Stay under cover until the shaking stops.
- Remain quiet and listen for directions from the teacher. Due to electrical outages, the intercom system may not be functional.
- When the shaking stops, teachers will lead students out of the building while avoiding potential hazards such as downed power lines, walls, etc.
- Stay out of the building until the proper authorities have determined its structural integrity. The administration will give the “all clear” when it is safe to go back into the building.
- Be alert and prepared for aftershocks.

### ***While outside:***

- Get into an open area away from trees, buildings, walls and power lines.
- Lie down or crouch low to maintain balance.
- Remain quiet and listen for directions from the teacher or supervisor.
- Stay out of the school building until the proper authorities have determined its structural integrity. The administration will give the “all clear” when it is safe to go back into the building.
- Be alert and prepared for aftershocks.

**Fires:** During a fire drill, we need to exit the building quickly and safely. Running, pushing and shoving have no place in a drill and could easily get someone hurt. At all times, students are to remain quiet and follow specific instructions from their teacher or the supervisor in charge.

### ***General instructions for fire drills:***

- A buzzer will sound the warning.
- Students will line up single file and leave all belongings in the room.
- The teacher will close all the windows in the classroom and close the door as the last student leaves the classroom.
- The teacher will follow the students out of the building carrying his/her grade book and will take roll when all students are outside and away from the building.
- Never cross over a fire hose.
- Students and teachers will re-enter the building when the “all clear” is given.
- At all times, students will remain quiet and follow the specific instructions of their teachers or the supervisor in charge.

### *Special considerations:*

- **When you are out on the playground** and the warning sounds, form into ranks by classroom staying 100' beyond the building and remaining there until the "all clear" is given.
- **When exits are blocked**, the teacher will redirect his/her students to the nearest unblocked exit.

**Tornados:** Tornados can take place without warning. It is extremely important that students remain quiet during alerts and listen for specific instruction from the classroom teacher.

- **Tornado Watch:** When a tornado alert is given for the regional area, this information will be passed on to the teacher and students via a note or announcement over the intercom. Teachers and students should discuss preparedness plans.
- **Tornado Warning:** When a tornado is reported heading for the area, an intermittent bell or buzzer sounding for a long time will indicate a warning to proceed to designated safe areas. Directions may also be given via the intercom. Upon hearing this, students must be absolutely quiet and follow the exact instructions of their teachers or monitors on duty.
- **If in the classroom**, students are to follow the teacher to the designated safe area. Most often, this will mean move to the hallway at teacher's direction and take cover by kneeling and lying down with heads covered by placing their arms over their head.
- **If a group is in the hallway or the cafeteria**, when the Tornado Warning comes, the teacher or monitor will have everyone kneel and protect their heads against an inside wall, unless told otherwise. When in the cafeteria, people are to get under tables near the inside (north or south) wall.

### **Equal Educational Opportunities**

Calhoun CUSD #40 ensures that equal educational opportunities are offered to all students without regard to their sex, race, color, natural origin, age, religion or handicap. Questions in reference to equal opportunity matters should be directed to Calhoun CUSD #40 Superintendent, Box 387, Hardin, IL 62047, or by calling 618/576-2722. (Ref. Board Policy #7:10).

**Sex Equity:** No student shall, on the basis of his/her sex, be denied equal access to programs, activities, services or benefits, or be limited in the exercise of any right, privilege, advantage or opportunity. A discrimination grievance may be filed with the Calhoun 40 Superintendent, Box 387, Hardin, IL 62047, or by calling 618/576-2722. (Ref. Board Policy #7:10).

### **Field Trips**

Field Trips are permissible when the experiences are an integral part of the school curriculum and/or contribute to the District's educational goals.

Field trips are a privilege, not a right. Any student having behavioral difficulty in the classroom may be excluded from participation in the field trip at the discretion of the building principal. Additionally, if a student misbehaves on a field trip, he/she may be excluded from any additional trips.

It is up to the discretion of the teacher to determine who and how many parent chaperones will accompany the class on any field trip. Parent chaperones are expected to follow all school and bus rules, just like the students. (no food or drinks on the bus, no smoking, no profane language, etc.).

Students are expected to ride the bus to and from all school sponsored field trips. When buses are used for transportation to field trips, the bus ride is an integral part of the over-all field trip experience. Students will not be allowed to ride to a school-sponsored field trip with a parent/guardian/other unless prior arrangement have been made with the building principal. Permission will be granted only for emergency situations or special circumstances. Field trips are part of the educational process and often will include return bus activities and/or follow-up activities in the classroom upon the arrival back to school. It is important that students are a part of the entire school day.

Students must report to school for attendance prior to any field trip or they will be marked absent.

All field trips must have the Superintendent or designee's prior approval, except that field trips beyond a 200-mile radius of the school or extending overnight must have the prior approval of the Board. The following factors are analyzed when determining whether to approve a field trip: educational value, student safety, parent concerns, heightened security alerts, and liability concerns. On all field trips, a bus fee set by the Superintendent or designee may be charged to help defray the transportation costs.

Parents/guardians of students: (1) shall be given the opportunity to consent to their child's participation in any field trip, and (2) may be responsible for all entrance fees, food, lodging, or other costs. Any field trip may be cancelled without notice due to danger to students, staff, or chaperons. Monies deposited may be forfeited. (Ref. Board policy #6:240)

*While traveling on field trips, students are expected to follow all rules listed in this handbook.*

### **Grading Scale**

92 to 100	= A
84 to 91	= B
76 to 83	= C
68 to 75	= D
67 or lower	= Failing

### **Grading, Promotion and Retention (Ref. Board Policy 6:280)**

Placement, promotion and retention shall be made in the best interest of the student after a careful evaluation by the administration, teachers and parents of all the factors relating to the advantages and disadvantages of alternatives. We at Calhoun CUSD #40 believe grades, attendance and teacher recommendations are good indicators as to whether a child has gained the knowledge necessary to advance to the next higher level in their school experience. Promotion, from grade to grade, for purely social reasons is discouraged and illegal.

The administration and professional staff has an established system of grading and reporting academic achievement to students and their parents/guardians. The system also determines when promotions and graduation requirements are met. The decision to promote a student to the next grade level shall be based on successful completion of the standards-based curriculum, attendance, performance based on the Illinois Standards assessments of achievement, or other testing. A student shall not be promoted based upon age or any other social reason not related to academic performance. Interventions shall be put in place for students who fall behind before retention is considered.

Parents/Guardians will be informed regularly, at least four times per year, concerning a student's academic achievement. When a student's performance requires special attention, the administration, teachers and parents will meet to discuss the current problem situation and methods for improving student learning.

Decisions to retain or promote will be made by a school team. Members of the team may consist of classroom teachers, administration, guidance counselor/social worker and special education teachers. Parents/guardians will be informed of any team concerns leading up to the final determination. The final decisions regarding placement, promotion or retention, rests with Calhoun Unit #40 administration.

***Honor Roll:*** We at Calhoun CUSD #40 believe it is important to recognize hard work and achievement. The Honor Roll list for upper grades is computed each quarter. In order to be placed on the Honor Roll list, a student must meet the following requirements each quarter:

- No incomplete grades recorded
- A "B" average or above is maintained.
- Absolutely no grades of "D" or "F" in CORE subject areas

## Progress Reports

Standards-based Reports are sent home with students in the lower grades at least 3 times per year. These reports will be aligned to the new Illinois Common Core Learning Standards, composed of grade-level learning expectations as directed by the Illinois State Board of Education.

Students in the upper grades will have reports available at the midpoint of each quarter and final progress reports are sent home at the end of each quarter. Upper grade teachers will use the traditional letter grading system of A, B, D, and F along with pluses and minuses.

Parents are encouraged to contact the classroom teachers if they have questions/comments concerning their child's progress reports.

### Sex Education Instruction Information and Option to Waive – 6<sup>th</sup>-8<sup>th</sup> grades

Students will not be required to take or participate in any class or course in comprehensive sex education **if his or her parent or guardian submits a written objection**. The parent or guardian's decision will not be the reason for any student discipline, including suspension or expulsion. Nothing in this section prohibits instruction in sanitation, hygiene or traditional courses in biology.

Parents or guardians may examine the instructional materials to be used in any district sex education class or course.

**Please obtain and print the appropriate district form** if you wish to examine the instructional materials AND/OR you intend to waive your child's attendance in comprehensive sex education (via the district webpage – [www.calhoun.k12.il.us](http://www.calhoun.k12.il.us)) and provide the completed form to the classroom teacher prior to the instruction taking place if you do NOT wish for your child to participate. **If such a request is not made, students will participate in the lessons as assigned.**

### Parent-Teacher Conferences

Communication is essential to learning. It is extremely important for parents to keep in close contact with their child's teacher concerning student progress. Parent-teacher conferences are specifically scheduled school-wide for this purpose.

Please do not feel that these are the only times that you may confer with your child's teacher. When the need arises, please call the school in advance to schedule a meeting with the teacher. Most problems that students experience in school can be resolved easily when parents and teachers communicate at the first sign of the problem. *Together*, we can provide the best learning opportunities for our children.

### Hallways & Restrooms

To avoid confusion and promote everyone's safety, students are advised to **"keep to the right"** when using the hallways. Walk in the hallways and do not run. Students are expected to pass through the hallways in an orderly and quiet manner at all times, especially when other classes are still in session.

### Mandated Reporting of Abuse

All school personnel, including teachers and administrators, are required by law to immediately report any and all suspected cases of child abuse or neglect to the Illinois Department of Children and Family Services.

Educators are mandated reporters of suspected child abuse. Any suspected cases of abuse will be reported.

### Health Program and Requirements

## Medication at School

The purpose of administering medications in school is to help each child maintain an optimal state of health so that his/her ability to learn will be enhanced. The home and school must work together to accomplish this goal. It is to everyone's benefit when the number of, and amount of, medication given at school is reduced.

### **\*\*\*MEDICATIONS WILL NOT BE GIVEN AT SCHOOL UNLESS:**

- a parent has signed and provided the office/nurse with a "medication authorization form" (available in the back of this handbook).
- The medication is ordered to be given 4 times a day or as needed.
- The medication is in its original over the counter or prescription bottle with the child's name on it.

**\*\*\*IT IS AGAINST THE LAW TO SEND "PILLS" TO SCHOOL IN AN UNLABELED BOTTLE.** Do not send in an envelope or baggie with a note. They will be disposed of.

*Three (3) dosages per day medication should be given at home unless instructed to do otherwise by a physician.* One dose may be given just before the student comes to school. The second dose may be given when the student comes home from school. The third dose may be given at bedtime.

The following guidelines have been established for the safety of all students when it becomes necessary for medication to be given at school:

- All medication shall be left with the school nurse or, in the absence of the school nurse, with office personnel for safekeeping and administration. Students are not allowed to carry medications on their person during school hours, with the exception that a student may possess medication prescribed for asthma or diabetes, (such as inhalers or epi-pens for severe allergic reactions, as stated in 105 ILCS – 5/22-30) for immediate use at the student's discretion provided the student's parent/guardian have completed and signed a "*School Medication Authorization Form.*"
- The school district shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or the medication's storage by school personnel. Parents/Guardians must indemnify and hold harmless Calhoun CUSD #40 and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of medication or the storage of medication by school personnel.

**Emergency numbers:** Parents are asked to notify the school where they may be reached if they are away from home for a length of time. Emergency numbers should be updated periodically; for your child's safety. It is **extremely important** to have at least ***two*** emergency contact persons available in the event that you cannot be reached. If your child is sick or injured we need to reach you!

**Health issues:** Any health problems, allergies, or surgery should be brought to the attention of the school nurse so that the child can be properly monitored while at school. If a child is ill with anything that can spread, please contact the school nurse before sending the child to school. Children should be kept home until they are fever free for 24 hours. Students who are obviously ill do not learn well and pose a hazard to their classmates. The school will call parents or guardians and ask that you take the child home whenever a child is ill.

**Head lice:** Upon discovery of head lice, a student will be isolated from the general student population until parents/guardians can pick them up. The student and member of the student's household should be treated and nits removed. All nits must be removed before the child will be allowed to return to school. The certified school nurse will check the child prior to allowing them back into the classroom. The student cannot be returned to school on the bus. The child must be brought in to be re-checked for re-entry into school. An additional treatment should occur 7 to 10 days after the first treatment was given.

**Diet and rest:** Two of the best preventative measures that parents can take to help keep their children healthy are to make sure that the child eats a proper diet and gets plenty of rest. A student's ability to function in school is affected greatly by these two factors.

**Instruction on safety and avoiding sexual abuse:** Teaching our students to protect themselves is an ongoing lesson at Calhoun CUSD #40. Many safety-related topics come up for discussion as “teachable moments” when students have questions. Students will be instructed in various “safety related” issues including, but not limited to: stranger awareness, traffic safety, bicycle safety, bus safety, dangerous weather, fire, earthquakes, proper use of medication and substance abuse education. Also included in this line of instruction will be avoiding sexual abuse as well as physical abuse.

This handbook section serves as a five-day notice that school employees may provide instruction to students regarding the identification and avoidance of sexual abuse.

**Asthma or Allergies including Food Allergies:**

All children with diagnosed asthma or allergies need specific forms (provided by the school nurse) completed and signed by a parent prior to the start of school. Inhalers may be kept with the student.

**Any child with a severe allergy is recommended to have an Epi-pen ordered by a physician and kept at school with the nurse in case of emergency situations.**

**Parents of children with food allergies MUST fill out the “Illinois Food Allergy Emergency Action Plan and Treatment Authorization” form available at the end of this handbook and/or from the school office. The form MUST be signed by the parent and/or legal guardian and will be kept on file at school. Appropriate personnel will have access to these records for emergency use.**

**Care of Students with Diabetes**

If your child has diabetes and requires assistance with managing this condition while at school and school functions, a Diabetes Care Plan MUST BE submitted to the school nurse. Parents/guardians are responsible for and must:

- a. **Inform the school in a timely manner of any change which needs to be made to the Diabetes Care Plan on file with the school nurse for their child.**
- b. **Inform the school in a timely manner of any changes to their emergency contact numbers or contact numbers of health care providers.**
- c. **Sign the Diabetes Care Plan.**
- d. **Grant consent for and authorize designated School District representatives to communicate directly with the health care provider whose instructions are included in the Diabetes Care Plan.**

For further information, please contact the school nurse.

**Emergency Procedures for Students:**

1. A Calhoun Unit 40 Emergency form is to be filled out upon enrollment/registration.
2. The emergency card shall be reviewed, updated and approved by the school nurse during registration each school year.
3. Parents and/or guardians are responsible for notifying the school nurse when any changes take place regarding health conditions, alternate contact persons, physicians, and telephone numbers.
4. When a child is injured or becomes ill during school hours, the emergency card is used to locate a parent or designated contact person/s.
5. The student is first treated for injury (cleansing wounds, immobilizing limbs, placement of ice packs, etc.
6. The parents are contacted if the injury warrants attention or monitoring, such as with head injuries.
7. The alternative person as specified by parents on the emergency card is contacted in the event that school officials cannot locate the parents.
8. If injury warrants immediate attention by a physician at a hospital or clinic, the administrators and/or the school nurse may transport the student to an available medical facility if the parents have so indicated on the emergency card.
9. A copy of the emergency card is accepted at Jersey Community Hospital in the event the injury is serious.
10. Follow-up care may be required depending upon the seriousness of the injury.

### **Kindergarten Enrollment**

A child **must be five years old on or before September 1** to be eligible to attend kindergarten classes (**NO EXCEPTIONS**). A registered birth certificate for the child must be presented at the time of registration along with meeting residency requirements within the district.

### **Pre-School Screenings**

Annual pre-school screenings are conducted for all three and four year olds in the district. Information concerning this screening is available in the school office during the fourth quarter of school.

### **Lockers**

Student lockers are purchased by the school district and are considered school property. Therefore, school authorities may make reasonable regulations regarding their use. This includes the inspection of all lockers for health and safety reasons.

### **Lost and (not yet) Found**

Any lost articles found on the school premises should be turned in to the office. Likewise, persons who have lost anything should inquire at the school office. Due to lack of storage, lost items will be given away after 15 days. One of the best ways to avoid losing articles of clothing is to write the student's name somewhere on the interior of the clothing.

### **Lunch and Breakfast Programs**

The lunch and breakfast programs are open to all students within the district. It is the desire of Calhoun CUSD #40 to provide students with the best possible hot lunch/breakfast. Meals are planned to be well balanced and provide many of the nutritional requirements for schoolchildren.

***Lunch Money: Breakfast = \$ 1.80                      Lunch = \$ 2.60***

***Reduced-Price Breakfast = .30 cents                      Reduced-Price Lunch = .40 cents***

Student lunch billing will now be recorded electronically. Balances will be printed once a week. Warning of approaching negative balance and negative balance statements will be sent home with the youngest member of any family. **Students with a negative balance will not allowed to “charge” breakfast at school and will be requested to bring their lunch from home. Students who do not bring their own lunch and have a negative balance may be provided with an alternative, FDA approved meal until the meal account is paid in full.**

If a child chooses not to participate in the hot lunch/breakfast program, he/she may bring a lunch from home. It is requested that parents please not send soda or fast-food items for their child's lunch at school. This type of beverage will not support the district's Wellness Plan of emphasizing good nutrition and a healthy lifestyle.

***Free and/or Reduced Lunch Program:*** In cooperation with the U.S. Department of Agriculture and the Illinois State Board of Education Department of School Food Services, Calhoun CUSD #40 has developed a policy to provide free and reduced lunches/breakfasts to those children whose families may find it difficult to pay for the full price of their children's lunches. Any family desiring free or reduced lunches must fill out and return the appropriate form (available at registration or at the school office) and have it approved before receiving this service. Applications should be returned to the school office and may be filed anytime during the school year. You will be notified promptly concerning approval or denial of free and reduced price lunches and breakfasts. You will be given instructions regarding the procedure for your children to receive such meals. If the application is approved for reduced price meals, the amount you will be expected to pay will be included in the notice. This form must be filled out each new school year.

If you do not believe that you can pay this amount, you may contact your building principal and your application will be reviewed with you to see if satisfactory arrangements can be made. If your application is rejected, the reason for the rejection will be clearly stated. The notice will also tell you how and to

whom you may appeal the decision. It is our sincere desire to extend the benefit of a school lunch/breakfast to any child needing it.

Applications are handled privately and information is kept strictly CONFIDENTIAL. Lunches and breakfasts will be served free, or at a reduced price, to all children whose family income level meets the eligibility requirements. Children who receive free or reduced lunches will be treated in the same manner as those who pay the full price for a meal.

**Important notes:** Students are not allowed to leave campus during lunch period unless accompanied by a parent/guardian. Please do not send glass containers or any type of knife to school for student use in the cafeteria since this may set up a very dangerous situation.

***The cafeteria rules include, but are not limited to:***

- Students are to sit at the tables provided. Tables are also provided for those students who wish to bring their lunch.
- Students bringing their lunch may purchase milk in the cafeteria.
- Students are to refrain from touching more than one milk carton and must take the carton that is touched first.
- Soda will not be allowed in the cafeteria.
- The school will not provide refrigeration for lunches brought from home.
- Students are expected to use proper table manners.
- Students are not allowed to throw food.
- Students may not touch or handle other students' tray or food item unless otherwise directed by the supervising teacher.
- Students may speak without raising their voices.
- Food may not be taken out of the cafeteria.
- Students may not use classroom microwaves to heat lunches brought from home.
- Students must eat lunch in the cafeteria- eating in the classroom is not permitted unless prior permission is granted by the building principal.
- Students are expected to be courteous and respectful toward the kitchen staff at all times!
- Listen to the supervising, cafeteria duty teacher and do what they say the first time directions are given.
- If you make a mess, help clean it up. **NOTE: Making a mess on purpose gives you the opportunity to help clean up the cafeteria during any "free time" you might have available.**

### **Permission to Leave School/Closed Campus**

It is important that the school know the whereabouts of each student at all times. Students are not to leave the school grounds without the permission of the Superintendent or the Principal. Students may leave for doctor and dentist appointments with a notification from parents/guardians and provided the parent/guardian picks up the child at school. Students must sign out at the office at the time they leave and sign in at the office upon their return.

### **Pesticides and Lawn Care Applications**

In 1999, the Illinois General Assembly passed laws requiring that public schools notify parent/guardians and school employees at least 96 hours prior to any pesticide and lawn care applications on school property. The term "pesticide" includes insecticides, herbicides, rodenticides and fungicides. The notification requirement extends to both indoor and outdoor pesticide applications. Excluded from the notification requirement are antimicrobial agents (such as disinfectants, sanitizers or deodorizers), insecticide baits, and rodenticide baits.

Calhoun CUSD 40 has therefore established a registry for people who wish to be notified. To be included in this registry, please pick up, complete, sign, and return the request form during registration, or any time during the school year -- available at either school office. For questions regarding this program, contact the Superintendent's office 618/576-2722.

### Pets on School Property

In order to safeguard the health, safety and welfare of our students, students' pets/animals will not be allowed on school property.

Calhoun CUSD #40 believes that making the effort to eliminate animal waste from the property and not exposing students to the possibility of animal bites or allergic reactions promotes our mission to serve the best interest of children.

\*\*\* This NO PETS/ANIMALS policy shall include "Show and Tell" activities within each classroom.

### Physical Education Exemptions

Physical education is part of educating the whole child and contributes to healthful living. Students are expected to dress for and participate in scheduled physical education classes. Parents may request that their child be exempted from physical education for up to two days due to health reasons. A request to be exempted for three days or more will require a physician's written order.

### School Visitation Rights Act (820 ILCS 147/25)

The Illinois Legislature has determined that a strong economy and educational system is reliant upon *parental involvement*. Employed parents and guardians who are unable to meet with educators because of a work conflict, have a right to an allotment of time from their place of employment during the school year, to attend necessary educational or behavioral conferences at their child's school. Contact your employer or school office for specific details of this Act. If your employer requires verification of attendance at a conference, please contact the school office for the appropriate form.

### CHILD CUSTODY GUIDANCE/PROCEDURES

Calhoun Elementary is utilizing the following procedures concerning child custody. Any questions concerning documents need to be directed to the Principal's office.

1. In the case where one parent requests that their child not be allowed to leave the school with the other parent, custody paperwork, a restraining order, or some other legal document should be in the student's records folder on file at the school office.
2. Legal guidance states that either parent has equal rights to the child unless one of the above mentioned legal documents has been issued and provided to the school.
3. In the event that a parent states that they have such a document at home, it becomes most imperative that the document be brought to school to be included in their child's school records' file.

### Visitors and Guests

Parents, guardians, and visitors are invited to visit school frequently as observers, provided their presence will not be disruptive. Appointments for classroom visits are a courtesy to the teacher and will result in less disruption of the educational program. If a parent wishes to confer with the teacher, an appointment should be made for a time outside of school hours or another mutually agreeable time.

***Note: All visitors are required to register at the school offices upon entering and sign out upon leaving the building. Visitors are instructed to use the "front entrance"-southern entrance. We have in place security doors equipped with video surveillance. Visitors must push the round button on the key pad to the left of the entrance doors. This will signal an audible sound within the school office. Visitors will need to wait until the door is released for entry.***

FOR SAFETY REASONS - Visitors, parents/guardians are not permitted to roam the building and must not walk past the front office without signing in. Please ask office staff or administration for permission to go beyond the office doors in the main hallway or assistance in delivering messages to classroom teachers.

**In some instances, visitors may be provided with a “visitor badge,” which is to be worn and returned to the office as the guest signs out when leaving the building.** School personnel may direct non-employees without a visitor badge to the school office. As an additional safety precaution, students may notify the nearest school employee whenever they see an adult in the building who is not wearing a “visitor badge”.

Any staff member may request identification from any person on school grounds or in any school building; refusal to provide such information is a criminal act (105 ILCS 5/24-25). The Principal or designee shall seek the immediate removal of any person who: (1) refuses to provide requested identification (2) interferes with, disrupts, or threatens to disrupt any school activity or the learning environment, (3) engages in activity in violation of School Board Policy (Conduct on School Property).

### **SHARE-A-CHAIR DAYS**

“Share A Chair Days”- Each classroom will house approximately 4 chairs that will be reserved for parent visitations. Any parent wishing to spend the day or a portion of the day in their child’s classroom, may set up an appt. with the teacher. “Share A Chair” days will occur several times per year. We welcome the opportunity to demonstrate how active learning takes place at Calhoun Elementary.

*Note: All visitors are required to register at the school offices upon entering and leaving the building. Visitors are instructed to use the “front entrance”-southern entrance.*

### **Inappropriate Times for Visiting:**

There are times when the educational setting is hectic and not a good time to visit. These include the first and last few weeks of school, the weeks preceding Christmas and Easter and testing weeks for PARCC and other achievement tests.

Calhoun Elementary School is like any other place of business; there is a lot of work to be done by students, teachers, secretaries, cooks, custodians and administration. Any visit, which hinders or interrupts the flow of work by students and/or adults in these buildings, will not be tolerated. (Ref. Board policy #8:30, #8:50)

### **Volunteers**

Calhoun CUSD #40 believes that parents/guardians, grandparents and senior citizens can play an important part in the educational lives of students. If you would like to volunteer your time to help a child learn, please contact the Principal’s office to learn about this process. The district will appreciate any help you can give and the students will always appreciate the “special gift” of your time and effort.

### **School Social Work Services**

School social workers assist students, parents, teachers and administrators in making school a successful experience for all children. Sometimes children have difficulties that keep them from learning at their maximum potential. With help, problems can be addressed using school or community resources. Counseling can temporarily or periodically be provided at school or a referral to an appropriate community resource can be made when more consistent and frequent counseling is needed. School social work services are available by requesting them through the school office, your child’s teacher or by contacting the district social worker directly.

### **Special Education**

Calhoun CUSD #40 offers a wide variety of special education classes for eligible children and is a member of the Four Rivers Special Education Cooperative, which provides numerous services for participating schools. Referral for these classes must be made through the classroom teacher or building Principal before students are evaluated for special education programs.

***Referral Procedure:*** If a parent or teacher has a concern with a student’s performance and progress, interventions, through our RtI (Response to Intervention) program will be attempted first in the regular education setting. Data will be collected and student progress monitored. If concerns persist, a pre-referral,

RtI team becomes involved working with the student, parent and teacher providing suggestions and support.

During pre-referral evaluation process, if the parent or teacher believes that the student's deficits are special education related, a request for a special education case study evaluation may be requested of the school district. At the parents' request, a "domain determination meeting" will be convened. The purpose of this meeting will be to determine what evaluations are needed. This meeting will include, but is not limited to, the parent, the child's regular education teacher, a special education teacher, and the building Principal, along with those personnel who may be asked to conduct an evaluation.

It is during the pre-referral domain determination meeting that the parent signs consent for a special education evaluation if one is warranted. After the evaluations have been conducted, the same participants, who were involved in the pre-referral domain determination meeting, will again meet to discuss the evaluation results and determine if the student is eligible for special education services. This meeting is known as the "Eligibility Review Conference" (ERC). If the student is determined to be eligible, the participants will immediately conduct an "Individualized Education Program" (IEP) meeting to determine placement and services to be rendered. The IEP document is a legal document between the school district and the parents, which outlines the goals and objectives to be met by the student and services to be provided by district personnel. Annual reviews are conducted to discuss progress and revise the IEP as warranted to meet the student's needs. The ERC team reconvenes every three years to determine if the child continues to qualify special education services.

If parents have questions regarding the referral process or would like a copy of the pamphlet entitled "Explanation of Procedural Safeguards Available to Parents of Students with Disabilities," they should contact the building Principal or one of the special educators.

***PLEASE NOTE: If you are coming from another school district and your child already has an Individualized Education Program (IEP), Please turn in a copy of that plan to the school's main office. The plan will be forwarded to the appropriate personnel, so that appropriate services can begin promptly.***

### **Speech and Language Services**

Speech and language services are available for students with communication impairments. Areas that may be addressed include production of speech sounds, fluency, vocabulary, grammar, listening/comprehension, and vocal quality.

Referral for these services must be made by the teacher and given to the building Principal and pre-evaluation team. You will be notified by letter if your child needs an evaluation by the speech-language pathologist. You will then be invited to a meeting to review the evaluation results and to determine what services should be provided. Annual reviews will be provided to discuss progress.

Students less than 18 years of age have the right to inspect and copy their permanent record. Parents/Guardians or students should submit to the Principal (or other appropriate official) a written request that identifies the record they wish to inspect. The Principal will arrange for access and notify the parent/guardian or eligible student of the time and place where the records may be inspected. - ***The right contained in this statement: No person may condition the granting or withholding or any right, privilege or benefits or make as a condition of employment, credit, or insurance the securing by any individual of any information from a student's temporary record which such individual may obtain through the exercise of any right secured under state law.***

### **Destruction of Temporary Student Record Information**

Calhoun Unit 40 School District annually reviews all student records. This school district keeps student information such as courses taken, grades, GPA, and date of graduation for not less than 60 years. Other information such as disciplinary actions, test scores, and IEP information is retained for 5 years after student graduation or the student has left this school district.

Parents of students are hereby notified that if you wish a copy of any "temporary" information before it is deleted/destroyed, you must make a request to the records custodian at CUSD # 40, 576-2722.

This request must be made by July 1<sup>st</sup>, before the 5<sup>th</sup> year after graduation or student has left the Calhoun Unit 40 School District.

## **Telephones**

**Telephone Use:** When classes are in session, students will not be called to the telephone except in the case of an emergency. If parents wish to speak with the teacher or their child, they should leave a message with their phone number and the call will be returned when class is not in session.

The telephone in the office is for business and emergency purposes and students will be encouraged to refrain from making phone calls except in the cases of illness or emergencies. During the hours of 8:00 AM to 3:45 PM), students may use the office telephones with the permission of office personnel, the school nurse, the social worker, or the Principal.

**Please note: After school arrangements should be discussed with your child BEFORE coming to school. Forgetting homework, lunch, ballgame uniforms, signed detention slips, etc., will not be considered emergencies.**

## **Standardized Testing**

Students and parents/guardians should be aware that students in grades 3<sup>rd</sup> – 8<sup>th</sup> will take standardized PARCC tests during the 2<sup>nd</sup> Semester of each school year. The PARCC high quality assessments will allow parents and educators to see how our students are progressing in school and whether they are on track for postsecondary success. It also provides teachers with the ability to identify students who may be falling behind and need extra help.

Parents are encouraged to cooperate in preparing students for the standardized testing, because the quality of education the school can provide is partially dependent upon the school's ability to continue to prove its success in the state's standardized tests. Parents can assist their students in achieving and giving their best performance by doing the following:

- Encouraging students to work hard and study throughout the year;
- Assuring school attendance on each day of testing when they are physically capable and not ill;
- Insist students get a good night's sleep the night before test;
- Provide a good breakfast on the mornings of testing, particularly ensuring they eat sufficient protein;
- Ensuring students are on time for school and prepared with appropriate testing materials;
- Encouraging students to ask the teacher questions if he/she does not understand the test directions;
- Letting your child know that you have confidence in his/her ability to do his/her best, and
- Reminding and emphasizing for them the importance of good performance on standardized testing.
- Teaching students the importance of honesty and ethics during the performance of these and other tests;
- Encouraging students to relax on testing day.

If you need additional information or have further questions about these tests, please call your child's teacher or the Principal at 618/576-2341.

## **Traffic and Safety Rules**

To ensure the safety of everyone and reduce confusion, please use the FRONT west entrance to enter the school parking lot and exit through the eastern exit. Buses are to enter the FAR west entrance and exit through the eastern exit as well. Please be courteous, patient and cautious in the parking lots. Parents and visitors, we ask that you observe a maximum speed limit of 10 MPH while on school property. **When buses are in the loading lanes, by law, cars are to stop and not drive around parked school buses,**

**which have their “stop arms” extended.** Violators will be ticketed by the Calhoun County Sheriff’s Department.

Please DO NOT park your vehicle directly in front of the Pavilion/South Entrance of the school. Parents are dropping off children and traffic needs to continue moving without obstructions. Parent and visitor parking are available in the FRONT parking lot.

**After School:** Students, who are picked up by a parent, are to go directly to their vehicles upon dismissal at 3:15 PM. Students who ride buses are to:

- Walk (DO NOT RUN) to your assigned bus.
- Do not board the bus unless the bus driver is in the driver’s seat.
- Bus dismissal is at 3:15 pm.

**Visitors and Parents Entering the Building:** Everyone must enter and exit through the front doors (facing south). You must sign in and state your reason for visiting if you wish to go beyond the office. You may be asked to wear a visitor’s badge while visiting classrooms/school. This is to ensure the safety for all persons in the building.

**AM and PM Bus Duty, Recess & Lunch Periods:** Since the weather plays a large part in where activities can comfortably be held, the following will be considered in determining whether or not these periods will be indoor or outdoor:

- Any form of precipitation is falling.
- The temperature has been determined to be too cold by teachers/administration.
- Ground conditions are going to result in wet feet or excessive mud being tracked into the building.
- Strong, uncomfortable winds.
- Any other reason for the well-being of the students at the discretion of the teacher on duty.

When cold weather arrives, students should dress accordingly—caps, gloves, coats, boots, etc. We understand that children are sometimes prone to colds and minor illnesses. However, we can only permit a child to stay indoors on those days when duty is outdoors if a parent sends a written request for the child to be kept indoors. We also believe physical activity is important in the development of a child and that recess time affords them an opportunity for physical activity. For this reason, only one written parental request per quarter is permissible for students who need to stay indoors—any additional time requires a doctor’s permit.

**Gymnasium Rules:** Many times in inclement weather, students will have to go to the gymnasium for recess period. To ensure their safety while utilizing the gymnasium, the following rules will be enforced:

The teacher on duty will make the decision whether or not to go into the gym due to rain or cold weather.

- Before and after school, when inside, students will sit on bleachers in their assigned places.
- At recess time students will remain seated on the bleachers until the teacher instructs them to move to the gym floor or exit the gym.
- Students may not leave the gym without teacher permission.
- Students may not play on the bleachers.
- Absolutely no candy or gum allowed in the gymnasium.
- Students are not allowed to walk on the gym floor without clean gym shoes.
- No food or drinks will be allowed in the gymnasium.

### **Sex Offender & Violent Offender Community Notification Laws**

State Law requires that all school districts provide parents/guardians with information about sex offenders and violent offenders against youth.

You may find the Illinois Sex Offender Registry on the Illinois State Police website at:  
<http://www.isp.state.il.us/sor/>.

You may find the Illinois Statewide Child Murderer and Violent Offender Against Youth Registry on the Illinois State Police website at: <http://www.isp.state.il.us/cmvo/>.

A student who, after receiving instruction in a non-recognized or non-accredited school, enrolls in the District will: (1) be assigned to a grade level according to academic proficiency, and/or (2) have academic credits recognized by the District if the student demonstrates appropriate academic proficiency to the school administration. Any portion of a student's transcript relating to such instruction will not be considered for placement on the honor roll or computation in class rank.

This information regarding the professional qualifications of your child’s classroom teachers including, at a minimum, the following:

2. Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.
3. The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
4. Whether the child is provided services by paraprofessionals and, if so, their qualifications.
