

IAA FOUNDATION OFFERS SCHOLARSHIPS TO SUPPORT AGRICULTURE,
ILLINOIS FARM BUREAU FAMILIES

Agriculture students and Illinois Farm Bureau® (IFB) members and their children are encouraged to apply for 72 college scholarships offered by the IAA Foundation, Illinois Farm Bureau's charitable arm. The scholarships, ranging from \$1,000 to \$7,500, will be awarded in total of \$110,000 for the 2019-2020 school year.

"We are pleased to help students through our growing scholarship program," said Susan Moore, director, IAA Foundation. "It is a great privilege to support the next generation of leaders, and encourage continuing education in agricultural fields."

Students may apply for a variety of scholarships, including three IAA Foundation Top Scholarships, where winners will each receive \$5,000 awards. Another \$7,500 award goes to the Illinois Farm Bureau Legacy of Leadership scholarship winner.

In addition to family scholarships often established to honor the memory of a loved one, the IAA Foundation offers scholarships on behalf of organizations such as Prairie Farms Dairy and St. Louis District Dairy Council.

All applicants must be high school seniors accepted for enrollment, or students already enrolled at an accredited college, university or community college. Scholarships are awarded for exceptional academic ability, leadership and financial need. Previous winners of an IAA Foundation scholarship are eligible to apply again.

A full listing of available scholarships and eligibility guidelines available at the Foundation website, www.iaafoundation.org. The application opens Dec. 1, 2018 and must be completed online by Feb. 1, 2019.
