

Dear Warrior Families,

We are happy to announce the Calhoun Elementary and Jr. High School will be offering Warrior Summer Camp for students who are interested!

There are many options for students to select from. Each class will have a limited number of seats available, so the earlier you register the better chance of getting the class that you want! Once a class is full, registration will be closed for that particular session. The dates of the camps will be June 5 - 9 and June 12 - 16 with the first session running from 8:00-10:00 a.m. and the second 10:15-12:15 p.m. You may sign up for one week or both weeks of camp. It is not mandatory to attend both in order to participate.

Transportation will be provided if drivers are available. The details of this cannot be finished until registration is completed. **The bus will only run at the start of the day and at the end of the day.** There will not be buses running between the two sessions. Therefore, if your child only attended one of the sessions each day, you would need to pick-up or drop-off on your own.

HOW DO I REGISTER?

- The registration will be completed through SignUp Genius. The link and QR code will be posted on the school web page, sent in School Messenger, and also available on Calhoun's Facebook Page.
- All forms are due back to school by May 3, 2023.
- If a class is filled before you are registered, you will be notified.
