

PLEASE READ!

HEALTH/MEDICAL REQUIREMENTS to start school:

The following are health requirements for the required to be turned in to register for your child to start school!!!

Please do not delay in getting these requirements met as it may prevent your child from being excluded from school and sports.

These need to be on the Illinois Child Certificate forms with the parent's portion completed and signed. The forms can be found on the school website or at the office at both schools. If the forms are not turned in your child will be considered non-compliant until they are in their file!!

PRE-K- Proof of **physical exam** including current **required immunizations**, proof of **dental exam**

KINDERGARTEN- Proof of **physical exam**, proof of **dental exam**, proof of **eye exam** (by an optometrist), and proof of required immunizations (including kindergarten shots) and proof of a lead screening.

SECOND GRADE- Proof of a **dental exam**

SIXTH GRADE- Proof of **physical exam**, proof of **dental exam**, and proof of getting the **Tdap and Meningitis vaccines**.

FRESHMAN-Proof of **physical exam** and proof of **dental exam**

SENIORS-Proof of **2nd dose of meningococcal vaccine**. *This is mandated for college admission.*

*****All students **playing sports** are required to have a physical exam **BEFORE** practice begins.

Please **do not delay** to get this will keep your child from playing until you are able to make an appointment and get into the doctor. If you know they are planning to play sports get this done in advance to the start-up of the season
